MTTT-10	1	Manufacturing of Textiles and Garments											Master Thesis
	1.1	Special Fields of Knitting	2		2			2		2			
	1.2	3dimensional Textiles	2		2		Pr	3	5	2			
MTTT-20	2	Advanced Textile Technologies											
	2.1	Technical Textiles	2		2			2		2			
	2.2	Production of Woven Technical Textiles	2		2			3	7	2			
	2.3	Advanced Finishing	2		2		Pr	2		2			
MTTT-30	3	Environmental Management and Business Ethics											
		Environmental Management and Business Ethics	2		2		Pr	3	3	2			
MTTT-40	4	Master-Projects											
		Master-Projects	3				T	6	6	3			
MTTT-50	5	Innovative Materials and Products											
		Innovative Materials and Products	4		4		Pr	5	5	4			
MTTT-60	6	Production Engineering											
	6.1	High Performance Fibers	2		2			2			2		
	6.2	Digital Printing for Technical Textiles	2		2		Pr	2			2		
	6.3	Advanced Narrow Fabrics	2		2			2	6		2		
MTTT-70	7	Development and manufacturing of functional and protective garments											
		Development and manufacturing of functional and protective garments	2		2		Pr	3	3		2		
MTTT-80	8	Management											
		Advanced Management Skills	4		4			4			4		
		Organisational Behaviour	2		2		Pr	2	6		2		
MTTT-90	9	Practical Training Alternatives											
		Students must select 1 of the three practical training alternatives											
MTTT-91	9.1	Manufacturing of Protective Clothes	2				T	2			2		
MTTT-92	9.2	CAD Protective Clothes	2				T	2			(2)		
MTTT-93	9.3	Digital Printing	2				T	2	2		(2)		
MTTT-140	14	Electives (Master)*	4	4			Pr	6	6	2	2		
MTTT-150	15	Research&Development Project	4				Pr	8	8		4		
	16	Master Thesis and Colloquium						33	33				
										CH per Semester	21	22	
										Total CH	43		
										Total CP	90		
										CP per Semester	29	28	33

* For the electives module several courses from a catalogue of elective courses have to be selected and finished with an examination. The courses in the electives catalogue are valued either with three or with six credit points. In total twelve credit points have to be acquired.

The actual courses offered in the electives catalogue is determined by the Fachbereichsrat and published by the examination board.

The courses in German language offered in the electives catalogue primarily for the German Master studies may be selected as well.
